

The Hockey Fans' Anthem

To the tune of O Canada

Yes it's our link

We're one big hockey rink

True patriot fans

Hockey oozes from our glands!

With glowing hearts, we watch our game

The skill, the speed, the flame!

And stand and road to cheer for

The three stars of each game.

Let's keep the puck in their net out of ours

And let's hear the call we love to hear more

That is our birthright note,

We Shoot, We Score!
